RE: Schulte v. BOP, 20-cv-2795 (PGG) (6wg)

Judge Gorenstein:

As of today, 6/1/21, I have not received any mail from this Court since 5/5/21, when I received the Order of Service, postmarked 4/2/21. If the Court has sent me anything since the Order of Service, the MCC has intercepted and delayed it as it has all mail in this litigation.

First, I wanted to update the Court that I filed a new Civil Rights Lawsuit against the MCC for this mail delay since I cannot seem to get any court to take it seriously.

Second, I wanted to renew my motion for the Court to compel the Defendants to produce the electronic discovery in this case. It has been well over a year now, and the government still refuses to produce the video from the night it tortured me. See Dkt. 13.

Thanks,

6/1/21
